

Riverside Child Care and Learning Center

15918 King Rd, Riverview, MI 48193

734.479.5448

These are the guidelines for admittance to the center for employees and children:

Your child's temperature will be taken outside the front door. If staff or child has a temperature of 100.4 degrees or higher they will not be admitted. Parents will not be admitted at this time; a staff member will take the child to their classroom once they have been admitted and a staff member will take your child to your car at pick up time as well.

If staff or child exhibits symptoms of illness they will not be admitted. The CDC describes symptoms of COVID-19 as:

- Cough
- Shortness of breath or difficulty breathing
- Fever
- Chills
- Muscle pain
- Sore throat

Additionally, we will continue to observe the wellness conditions in our parent handbook. If parents feel that their child is well, and we have determined otherwise, we must have a note from the child's doctor attesting to their good health. If a child begins showing symptoms and/or has a fever later in the day, they must be picked up within an hour. That child will be able to return after 24 hours if the child has been seen by a doctor who has given them a clean bill of health.

Staff and children will wash hands once they have been admitted.

Staff or children who have been exposed to a person diagnosed with COVID-19 within 2 weeks of our opening date will not be admitted.

Staff or children who have been exposed to a person diagnosed with COVID-19 after our opening may not return for 2 weeks, and our center will close for 2-5 days to properly sanitize.

Procedures for staff and children during the day:

Children will be in small groups with the same teachers each day.

Children will only play with a toy, or tub of toys one time per day, so that they can be sanitized for use the next day.

Please no backpacks or lunchboxes. No toys from home will be allowed except one stuffed animal for nap that must stay in their nap bin.

Please include one change of clothes in your child's nap bin.

Please bring lunches in a disposable bag.

Please take bedding home and sanitize every night.

COVID-19 Agreement

I _____ confirm that my child _____ has not been exposed to any person diagnosed with COVID-19.

I also agree to the state mandated policies listed above.
